# LEARN JAPANESE at *Mori no Ike*

At *Mori no Ike*, our Japanese Language Village, you can experience both traditional and modern Japanese culture — even trend-setting Japanese lifestyles — all while learning and practicing your new language skills. You'll experience an array of authentic cultural activities at *Mori no Ike*, from traditional music and crafts like *taiko* (drumming) and *shodo* (calligraphy) to martial arts and *sado* (tea ceremony). You'll dine on traditional foods like *udon* and *soba* (noodles), *tempura* (battered meat, fish, and vegetables) and *gohan* (rice).

At *Mori no Ike*, you'll be immersed in the culture of Japan while studying the unique language of Japan's 130 million people.
