

Parish Nurse Ministry Program

Foundations Course Information

March 5, 12, 19 (on-line) & April 9, 10, 11 2026
(in-person)

Since 1991, Concordia College has prepared nearly 1,800 nurses to serve in faith communities across the country. As faith community nurses (or parish nurses), these professionals are called and committed to the healing ministry of the church, helping meet the emotional, physical, and spiritual needs of the members. This ministry is grounded in the tradition of the church, "to preach the kingdom of God and to heal" (Luke 9:2). The faith community nurse program within a congregation also recognizes that the ministry of the church community is to proclaim God's desire that we strive toward an abundant, healthful life.

Course Location/Times: On-line program will be held via ZOOM. Participants must commit to attending all sessions with camera/audio abilities on computer system. Sessions will go from 3:00 pm to 8:30 pm. In-person program will be held at a local Fargo/Moorhead church site (TBA closer to the event). Daily sessions will begin at 7:30 am (Thursday/Friday until 7:00pm; Saturday concludes at 2:30 pm). Lodging is not available on site, but there are hotels nearby. More information will be provided by the program director.

Cost: \$450 and deadline to register and pay is February 5, 2026.

The cost includes participant workbook and practice standards (\$100 value), and a binder of program materials. The cost also includes refreshments and some meals for the in-person times.

A letter of reference from a colleague or a member of your clergy must also be submitted [via email](#) to the program director by February 5th.

Churches are encouraged to sponsor nurses and provide the program fee. A small scholarship may be available to those who are not sponsored by a faith community. Please contact Dr. Bokinskie for more information.

Continuing Education: This nursing continuing professional development activity is in the approval process through an accredited approver by ANCC to award 36.5 contact hours. This information will be updated in the spring.
