

It's time, Cobbers! **Give to Grow is officially underway!**

For the next three days, Cobber Nation is coming together to support our student-athletes, teams, and programs to reach our goal of **$300,000!**

Every gift goes directly to the sport or area of Cobber Athletics you choose — helping provide the resources and opportunities our student-athletes need to **learn, compete, lead, and grow.**

GIVE TODAY!

We need you to help **KEEP IT GROWING!** Make a gift, share the campaign with fellow Cobbers or your friends and family, and cheer on our student-athletes all year long.

Let's get this campaign growing — together!

Roll Cobbs,
