## Your Child's Village Weekend Was Just the Beginning

Dear<<First Name>>,

Thank you for choosing to be part of the Concordia Language Villages community this year! We're so glad they experienced a taste of the language, culture, and community that make our programs special.

Now, we'd love to invite your family to take the next step on that journey with **a special summer 2025 discount just for Village Weekend participants.**

### Village Weekend Summer Discount

Because your learner attended a short Village Weekend during the 2024-2025 school year, you're eligible for a tuition discount on our **overnight summer language camps** in Bemidji, Minnesota:

- **\$100 off** a one-week session
- **\$200 off** a two- or four-week session

These discounts apply to all 14 of our youth overnight language villages — from Arabic to Swedish — and are available for summer 2025 sessions while space remains. **Hurry — this discount only lasts until May 19!**

### How to Apply the Discount

When registering in **UltraCamp**, enter the code **LV3VW25** during checkout. Once we confirm your child's participation in a Village Weekend, the discount will be updated accordingly based on the summer session length.

[clvregister@cord.edu](mailto:clvregister@cord.edu)!

### Bonus tip: Scholarships are still open!

Many families are surprised by how much **scholarship support** is still available for some of our summer programs. We encourage you to take a look — you might be eligible for more than you think!

We hope your child left their Village Weekend inspired, and we'd be honored to welcome them back for a longer, deeper, joy-filled immersion this summer.

**Let's keep the global learning going — together.**
