LEARN SWEDISH at Sjölunden

Välkommen till Sjölunden, our Swedish language and cultural immersion program. Here, in a village of traditional *svenska stugor* (Swedish cottages) resembling a small fishing village, you will be surrounded by the sights, sounds, flavors, and customs of Scandinavia's most populous nation. Learn the language and the culture of the country that has not fought a war in 200 years, serves up scrumptious foods and is the home of popular music (ABBA), cars (Saab), and furniture (Ikea).
