

NEW POLICY

WINTER STORM / EMERGENCY CLOSURE

Cobber Kids will now follow the **Fargo School system** closures. Fargo has less storm delays because they have less rural children. This may seem confusing to you that Cobber Kids is in Moorhead and following a Fargo policy. Hopefully this will be helpful to some of you. We will try this and see how it works.

**Please add the Fargo Public Schools to your Facebook likes. Check their web page-
Fargo.k12.nd.us**

You can also check the Inforum for updates.

If Fargo has a 2 hour delay we will open at 10:00. This is because our roads are often not cleared before 10:00. Moorhead Public Works clears our area.

Our number one priority is keeping children safe.
