

Hello, Cobber Educators!

In celebration of the new school year, we wanted to drop you a note of encouragement and gratitude. We wish you all the very best as you welcome your new crop of students (or maybe “crop” is just how Cobbers think of their classes).

Please know we are so grateful for all you do to carry out the Concordia mission by serving as teachers, counselors, mentors, and coaches (and chaperones and advisors and so many other titles and roles) to help send into our communities thoughtful and informed young people. As fellow teachers and Cobbers, we say thank you for all you do every day — every morning, every evening, and on many, many, many weekends — to inspire, encourage, care for, and teach your students.

We want to send you something! Fill out the link below to receive a special Cobber educator sticker we hope you'll proudly display at school.

P.S. If our records are incorrect, and you are not in education, we're still happy to send you a sticker. Please also update your alumni profile at <https://alumni.cord.edu/>.
