

BE PART OF THE **MOMENTUM**

INVESTING IN EXCELLENCE

Hi Paulette,

Thank you for being part of Concordia's momentum! You are helping make the full Concordia experience possible for our students ... including our athletes.

Rachel Bergeson — Concordia's first female athletic director — has a deep love for Concordia and cheering on the Cobbers. It's in her DNA: Her parents, Bucky and Penny Burgau, have collectively served the college for over 90 years!

"Momentum is a common word that we use in athletics; you see it throughout a game," Rachel says. "Athletics is a great way to continue to build momentum into what we already believe is an excellent educational opportunity here at Concordia."

- More Additions on the Horizon!

Our student athletes are working hard to be the best they can be in the game, on the field, and in the classroom. Thank you for all the ways you support Cobbers. YOU are an important part of their story, and we are grateful!

Roll Cobbs,

Katherine Halvorson '02
Director of Annual Giving and Engagement

“

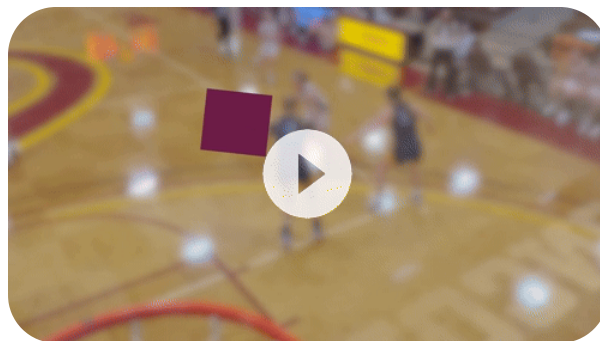

For me, being a Cobber is just so fabulous ... You are supported within the department and across campus and you have this built-in Cobber family that's going to care for you throughout your time here at Concordia and beyond.
