Make This Summer Unforgettable with a Spanish Family Week!

Ready for a summer getaway that goes beyond the ordinary?

Spanish Family Week at *El Lago del Bosque* offers an unforgettable experience where your family can immerse themselves in Spanish language and culture — through delicious food, lively music, fun games, outdoor adventures, and meaningful community connections.

But don't just take our word for it — here's what families who've joined us had to say:

- "It was so nice to not have to plan meals or figure out what time to get the kids to bed. I loved that my son had screen-free time and was running around outside, coming back to the cabin filthy at night. I wish my kid got more time to play in the dirt back home."
- "Honestly, it was just a lot of fun. We all learned and got to hang out with great people."
- "We'll miss the community, friends, and freedom of being able to have your child engaged and excited about being at camp."

After last year's Family Week sold out quickly, we're excited to offer two weeks this summer:

- [Aug. 11-16](#) (Waitlist only!)
- [Aug. 18-23](#) (Still plenty of space available!)

Whether you're just starting your family's Spanish journey or deepening your love for language and culture, Spanish Family Week is the perfect opportunity to connect and create lasting memories — all without leaving the country.
